

The Tempo Music Cards Method to learning 50 chords in 10 minutes a day

STEP 1 (3 Minutes):

1. Shuffle the pack of cards and place it on a table in front of you
2. Draw out the first card
3. Read out loud the chord name
4. Spend 3-5 seconds studying the chord diagram (look at the strings, finger numbers, shape)
5. Draw out the next card
6. Repeat points 3-5 until you finish all 50 cards

STEP 2 (3 Minutes):

7. With the guitar in hand, draw out the first card
8. Place your fingers into position
9. Strum the chord once
10. Draw out the next card
11. Repeat points 8-10 until you finish all 50 cards

STEP 3 (4 Minutes):

12. Draw the first card
13. Place your fingers into position
14. Strum the chord once and hold your left hand in position
15. Draw out the next card with your right hand
16. Strum the chord again then change your hand to the next chord
17. Strum the second chord and hold it in position
18. Repeat steps 15-17 until you finish all 50 cards
